

Two Twin Cities Theater Shows

Sept 25-26, 2019

"Mamma Mia" is about a daughter who is planning her wedding and longs to discover the identity of her father. She brings three men from her mother's past back to the Greek island they'd all visited 20 years ago. The story-telling magic of ABBA's timeless popular songs propel this delightful story of love, laughter and friendship.

"Bermuda Ave Triangle" concerns the adventures of a Jewish widow and an Irish widow whose successful daughters move them to Las Vegas, where they share a retirement village condo. On an excursion, they are saved from a mugger by a charming, if not quite sober, gambler who is short on cash. They allow him to curl up on the living room and they both manage to fall for him.
